

VinTech Corp Leave Policy

VinTech Corp • Internal Document • Doc No. HR-002 • Version 1.0

1. Purpose

This Leave Policy sets out the types of leave available to VinTech Corp employees, including annual leave and sick leave, and describes how leave balances are calculated and requested.

2. Annual Leave Entitlement

Employees are entitled to 12 days of annual leave per year, pro-rated monthly based on months worked (formula: months worked / 12 x 12 days). For example, an employee who has worked 6 months in the calendar year has accrued 6 days of annual leave.

Annual leave requests must be submitted through the HR system at least 3 working days in advance, except in emergencies. Unused annual leave may be carried over to the following year up to a maximum of 5 days, subject to manager approval.

3. Sick Leave

Employees are entitled to 12 paid sick days per year. Employees should notify their manager on the morning of the absence where possible. A medical certificate is required for sick leave of two or more consecutive days, or when requested by HR.

4. Other Leave Types

Additional leave types available to employees include maternity leave, paternity leave, marriage leave, and bereavement leave. Details of eligibility and duration for these leave types are available from HR on request and are governed by applicable local labor law.

5. Public Holidays

VinTech Corp observes all statutory public holidays. Where a public holiday falls on a weekend, the Company follows the government-announced compensatory day off, where applicable.

6. Requesting and Approving Leave

All leave requests are submitted and tracked through the HR system. Managers are expected to respond to leave requests within 2 working days. Leave taken without prior approval, except in documented emergencies, may be treated as unpaid leave.
