

VinTech Corp Data Privacy Policy

VinTech Corp • Internal Document • Doc No. LEG-002 • Version 1.0

1. Purpose and Scope

This Data Privacy Policy describes how VinTech Corp collects, uses, stores, and protects personal data belonging to customers, employees, and business partners. It applies to all Company systems, departments, and third parties that process data on the Company's behalf.

2. Data Collection Principles

VinTech Corp collects only the personal data necessary for a specified, legitimate business purpose. Data subjects are informed of what data is collected and why, in line with applicable data protection regulations.

3. Data Retention

Personal data is retained only for as long as necessary to fulfill the purpose for which it was collected, or as required by law. Data that is no longer needed is securely deleted or anonymized according to the Company's data retention schedule.

4. Access Control

Access to personal data is restricted on a need-to-know basis and controlled through role-based permissions. All access to sensitive systems is logged, and access rights are reviewed periodically by the IT Security team.

5. Data Subject Rights

Data subjects may request access to, correction of, or deletion of their personal data, subject to applicable legal exceptions. Requests should be directed to the Data Protection contact listed at the end of this policy.

6. Data Breach Notification

In the event of a data breach, affected parties must be notified within 72 hours of discovery. Internal escalation and containment procedures for suspected incidents are described in the Incident Response Playbook.

7. Third-Party / Vendor Data Handling

External vendors and contractors who process Company or customer data on VinTech Corp's behalf must comply with this policy. Vendors may only retain customer data for the duration of the active contract, plus 90 days, after which the data must be securely deleted or returned, unless a longer retention period is required by law.

8. Contact

Questions about this policy, or requests relating to personal data, may be directed to the Data Protection contact point maintained by the Legal department.
