

VinTech Corp Vendor Contract Terms

VinTech Corp - Internal Document - Doc No. LEG-003 - Version 1.0

1. Purpose and Scope

These Standard Contract Terms govern the engagement of external vendors and contractors providing goods or services to VinTech Corp. They form part of every vendor agreement unless expressly varied in a signed statement of work.

2. Vendor Obligations

Vendors must deliver goods and services in accordance with the agreed statement of work, comply with applicable laws, and maintain adequate insurance coverage for the duration of the engagement.

3. Confidentiality

Vendors will have access to Confidential Information belonging to VinTech Corp, including business plans, customer data, and technical documentation, in the course of performing services under the contract.

The confidentiality period for this obligation is 5 years after contract termination. During this period, the vendor must not disclose or use Confidential Information for any purpose outside the scope of the engagement.

4. Data Handling Requirements

Vendors must comply with VinTech Corp's data handling requirements as defined in the company's data privacy policy. This includes restrictions on data retention, access control, and secure disposal of customer and employee data processed on the Company's behalf.

5. Payment Terms

Unless otherwise agreed in the statement of work, invoices are payable within 30 days of receipt, subject to acceptance of the corresponding deliverables by VinTech Corp.

6. Termination

Either party may terminate the agreement for convenience with 30 days' written notice, or immediately in the event of a material breach that is not remedied within 15 days of written notice.

7. Liability

Each party's liability under the agreement is limited as set out in the applicable statement of work, except for liability arising from breach of confidentiality obligations, gross negligence, or willful misconduct.

8. Governing Law

This agreement is governed by the laws of the jurisdiction in which VinTech Corp is incorporated, and any disputes will be resolved through the process described in the master vendor agreement.
