

VinTech Corp Employee Referral Program

VinTech Corp • Internal Document • Doc No. HR-011 • Version 1.0

1. Purpose

This program encourages employees to refer qualified candidates for open positions at VinTech Corp and describes the referral bonus structure and eligibility rules.

2. Eligibility to Refer

All active employees, except those involved in HR recruiting decisions for the specific role, are eligible to submit referrals through the internal referral portal.

3. Referral Bonus Amounts

Referral bonuses are paid as follows: \$500 for standard roles, \$1,000 for senior or specialist roles, and \$1,500 for hard-to-fill roles designated as "priority hires" by the Talent Acquisition team.

4. Payment Timing

The referral bonus is paid in two parts: 50% after the referred candidate completes their probationary period, and the remaining 50% after the candidate completes 6 months of employment.

5. Exclusions

Referrals of immediate family members of the referring employee, or of candidates who have already applied independently within the past 6 months, are not eligible for a referral bonus.

6. Submitting a Referral

Employees submit referrals with the candidate's resume and a short note on why they would be a good fit, through the internal referral portal linked from the HR system.

7. Tax Treatment

Referral bonuses are treated as taxable income and are processed through standard payroll, subject to applicable withholding.
