

VinTech Corp Leave Policy Addendum — Ho Chi Minh City Branch

VinTech Corp • Internal Document • Doc No. HR-004 • Version 1.0

1. Purpose

This addendum supplements the Company-wide Leave Policy and applies specifically to employees based at the Ho Chi Minh City (HCMC) branch office.

2. Annual Leave Entitlement — HCMC Branch

Employees based at the Ho Chi Minh City branch are entitled to 14 days of annual leave per year. This entitlement is higher than the standard Company-wide entitlement of 12 days per year because of a regional cost-of-living and commute allowance approved for the HCMC branch. This addendum applies only to employees whose primary work location is the HCMC branch; all other employees follow the entitlement in the general Leave Policy.

3. Accrual and Pro-Rating

As with the general Leave Policy, HCMC branch annual leave accrues monthly and is pro-rated for employees who join or leave partway through the calendar year.

4. Carryover

Unused annual leave under this addendum may be carried over to the following year up to a maximum of 5 days, consistent with the Company-wide carryover rule.

5. Sick Leave

Sick leave entitlement for HCMC branch employees follows the standard Company-wide Leave Policy and is not modified by this addendum.

6. Requesting Leave

HCMC branch employees request leave through the same HR system used company-wide, selecting the "HCMC Branch" location tag so that the correct entitlement is applied automatically.

7. Review

This addendum is reviewed annually by HR alongside the general Leave Policy and may be adjusted if regional conditions change.
