

VinTech Corp Sales Team Compensation Addendum

VinTech Corp • Internal Document • Doc No. HR-016 • Version 1.0

1. Purpose

This addendum supplements the general Benefits Guide with compensation terms specific to employees in the Sales department, including the commission structure.

2. Base Salary and Commission

Sales roles receive a base salary plus variable commission tied to individual and team sales targets, as set out in each employee's compensation letter.

3. Commission Structure

Commission is calculated as 8% of closed-won contract value for new business, and 4% for renewals or expansions of existing accounts, paid monthly based on contracts confirmed in the CRM system.

4. Accelerators

Sales representatives who exceed 120% of their quarterly quota receive an accelerated commission rate of 10% on the portion of sales above the quota threshold.

5. Clawback

Commission is subject to clawback if a customer cancels or fails to pay within 90 days of contract signature, in which case the associated commission is deducted from a subsequent payout.

6. Relationship to General Benefits

This addendum supplements, and does not replace, the general Benefits Guide. Health insurance, overtime rules, and other standard benefits described in the Benefits Guide apply equally to Sales employees.

7. Review

Commission plans are reviewed annually by Sales leadership and Finance and communicated to the Sales team ahead of each fiscal year.
