

VinTech Corp Freelancer Agreement Template

VinTech Corp • Internal Document • Doc No. LEG-004 • Version 1.0

1. Parties

This Freelancer Agreement is entered into between VinTech Corp ("the Company") and an individual freelancer engaged to provide services on a project or contract basis, as distinct from a corporate vendor engaged under the Vendor Contract Terms.

2. Scope of Work

The specific services, deliverables, and timeline are defined in the statement of work attached to each individual freelancer engagement.

3. Confidentiality

The freelancer agrees to protect Confidential Information disclosed during the engagement. The confidentiality period for individual freelancers under this template is 1 year after the engagement ends, which is shorter than the 5-year period that applies to corporate vendors under the Vendor Contract Terms, reflecting the typically narrower and shorter-term scope of freelancer engagements.

4. Independent Contractor Status

The freelancer is engaged as an independent contractor, not an employee, and is responsible for their own tax and social insurance obligations.

5. Intellectual Property

Unless otherwise agreed in writing, all work product created by the freelancer under this agreement is assigned to VinTech Corp upon payment.

6. Payment Terms

Freelancers are paid according to the payment schedule in the statement of work, typically upon delivery and acceptance of agreed milestones.

7. Termination

Either party may terminate the engagement with 14 days' written notice, or immediately in the event of a material breach.
