

VinTech Corp Environmental Sustainability Policy

VinTech Corp • Internal Document • Doc No. OPS-018 • Version 1.0

1. Purpose

This policy describes VinTech Corp's commitments to reducing its environmental footprint across office operations and technology infrastructure.

2. Office Sustainability

VinTech Corp offices use energy-efficient lighting and equipment where practical, and Facilities is responsible for identifying opportunities to reduce energy and water consumption at each location.

3. Waste Reduction and Recycling

Offices provide clearly labeled recycling bins for paper, plastic, and e-waste. Retired hardware is handled through the Asset Disposal Procedure to ensure responsible recycling or destruction.

4. Cloud Infrastructure

VinTech Corp prioritizes cloud infrastructure providers with published renewable energy commitments when selecting new hosting regions, where technically and commercially feasible.

5. Business Travel

Employees are encouraged to use video conferencing in place of business travel where it would achieve a similar outcome, in line with the Travel Policy's booking guidance.

6. Reporting

Facilities publishes an annual summary of office energy usage and waste diversion metrics as part of the Company's broader sustainability reporting.

7. Employee Involvement

Employees may propose sustainability initiatives through the internal suggestions channel monitored by Facilities and the Green Team volunteer group.
