

VinTech Corp Visitor Management Policy

VinTech Corp • Internal Document • Doc No. OPS-014 • Version 1.0

1. Purpose

This policy describes guest sign-in and escort procedures for visitors to VinTech Corp office locations.

2. Pre-Registration

Employees hosting a visitor should pre-register the visitor's name and visit purpose through the visitor management system at least 1 hour before arrival, where practical.

3. Sign-In Process

All visitors must sign in at reception, present valid identification, and receive a visible visitor badge before proceeding beyond the reception area.

4. Escort Requirement

Visitors must be escorted by their host employee at all times while inside the office, except in the designated reception and guest meeting room areas.

5. Visitor Wi-Fi

Visitors are provided access to a segregated guest Wi-Fi network, separate from the internal Company network, to limit exposure to internal systems.

6. Sign-Out

Visitors must sign out at reception and return their visitor badge before leaving the office.

7. Prolonged or Recurring Visits

Visitors who will attend the office regularly over an extended period, such as auditors or consultants, should instead be set up with temporary contractor access following the Physical Security and Access Control policy rather than repeated single-day visitor sign-ins.
